SENATOR GOODRICH: Yes.

SENATOR CARPENTER: There's no disagreement with you and him.

SENATOR GOODRICH: No.

SENATOR CARPENTER: And you don't have, is the amendment on your desk, is that all the amendments going to be?

SENATOR GOODRICH: The amendment is on Vince Brown's desk and that's what it is.

SENATOR CARPENTER: There is no amendment beyond this to supplement your amendment from a pertinent stand--I'm not talking--

SENATOR GOODRICH: No, none whatsoever.

SENATOR CARPENTER: I have no objection.

PRESIDENT: Alright then the motion is to return 366 to final reading, from final reading to final E&R for the corrections as noted by Senator Goodrich. All those in favor of returning the bill vote aye. All those opposed vote no. We need a machine vote in order to return the bill to final E&R for the corrections as noted.

SENATOR GOODRICH: One more.

PRESIDENT: Thank you. Clerk will record.

CLERK: 25 ayes, no nays on the motion to return, Mr. President.

PRESIDENT: Bill is returned as requested. What's the other motion on the desk?

CLERK: Motion read.

LB 533

PRESIDENT: Senator Waldron.

SENATOR WALDRON: Mr. President and Members of the Legislature. Talked to Senator Stull and Senator Whitney and I think they are willing to go along with this amendment because even if someone wanted to get into contracts and they had not started their procedure by now, this would only give them until July 1st anyway and that would--be--not be enough time for any other school really to get anything going as far as any major contracts because it takes longer than that to develop a, to develop a construction project so I think this amendment then is acceptable that I have here to, to Senator Stull and Senator Whitney who have objected to it and so I move its adoption.

PRESIDENT: Any further discussion now of the amendment? Question is shall the bill be returned for the specific amendment? All those in favor vote aye. All those opposed vote no. Voting to return LB 533 to select file for the specific Waldron amendment. Thank you. Clerk will record.

CLERK: 26 ayes on motion to return, Mr. President.

PRESIDENT: Bill is returned. Senator Waldron.

SENATOR WALDRON: Mr. President, I move that the amendment be adopted to LB 533.
